

Breaking Ground Biography

Act 16:25-26: “Around midnight Paul and Silas were praying and singing hymns to God, and the other prisoners were listening. Suddenly, there was a massive earthquake, and the prison was shaken to its foundations. All the doors immediately flew open, and the chains of every prisoner fell off!”

Breaking Ground is a group comprised of young people, always willing and ready to minister to those in need of the knowledge of CHRIST. They love to sing of GODS goodness!!! Although the group was officially founded Oct 7th, 2017, some of the members have sang with Jermane C Milton since 2009. Some others also same in his previous group named Exalt.

This group of young people have grown spiritually and mentally over the years and have set a goal of breaking grounds whenever and wherever they minister. They have vowed to serve God not only through singing but through giving back to the community. So many times, we overlook the community but with this group of singers, they are always willing to give of themselves.

In the dictionary, you’ll find that Breaking Ground means to construct, to cultivate, and to advance beyond normalcy, and everyone in this group of young people depicts just that. They are loyal, hardworking, full of integrity and excited about God!!!!

Over the years Breaking Ground has sang background for many different artists such as Jermane C. Milton, Tonya L. Baker, Michael McDonald, Kefia Rollerson, Leah Joelle, Trenten Pipkins, K. Danielle Brown, and many more. Breaking Ground has been nominated for various awards and has been named the 2020 Group of the Year in the Voice of Gospel Music Awards held in Mobile, Alabama. The group has also been nominated for five additional awards in the year 2021.

Breaking Ground is so excited for what is to come in this next season and will continue to go on in Jesus name! Chains will fall off at midnight!!!!
